

Mission Training Center was just informed that Concordia Portland, with which MTC has had a great working relationship for the past nine years, will be closing its doors after the Spring 2020 semester. Though this is heartbreaking news for the staff, faculty, and especially the students, it does not impact MTC's ability to continue to offer excellent training to all past, present, and future MTC participants. Our instructors continue to be of the highest quality. And though they no longer will be adjunct instructors at CU-P, their competency and expertise will continue as they prepare people for missional ministry in and outside the church.

Please pray for those individuals affected by CU-P's closing. They especially need to know God's continued presence as they consider the next steps in the journeys in their lives.
